Dear Dr. McAllister:

I would like to thank The Council for Tobacco Reasearch for supporting the Cold Spring Harbor International Workshop on Papillomaviruses. The meeting was a great success. We had 293 scientists attend, almost twice the number anticipated. Your support was used to defray the registration charges of 8 invited speakers from the United States and Europe who, otherwise, would not have been able to attend.

I am enclosing a copy of the abstract book, which describes the overall program of the meeting with summaries of the 168 papers presented. Again, thank you for your support.

Yours truly,

Bettie M. Steinberg, Ph.D.
